## Next Steps...

As you enter your senior year, there will be a lot of moving pieces to your college application! It can be overwhelming if you do not stay ahead of deadlines, plan, and prepare. We are here to help get your plan in place to guarantee a successful admissions process. Let's get started!

## Summer/Fall Final Test Dates

Check with Admissions to see if you have the scores for admissions and scholarships. If not, prepare and take a final time by the early fall of your senior year.

## October Applications, College Fairs & Open Houses

Get your all pieces of your application ready and get on campus!

## November Thanksgiving

We encourage students to have all of their applications in by Thanksgiving break. This will then generate acceptance letters in early 2023.

## December Financial Aid

Complete FAFSA and any additional aid and scholarships forms to get an accurate estimate for your out of pocket expenses.

## Early 2023 Letters

If you have applied timely, you will start to receive letters of acceptance, scholarships and financial aid in early 2023!

## April/May 1 Decision Day!

Time to decide and submit your deposit to your college of choice! Notify your others that you will not be attending.
